

Our Beliefs

AUTHENTIC WORSHIP

We value a lifestyle of worship that is authentic and individual. We believe the goal of worship is to exalt and glorify Jesus Christ alone. (*John 4:23-24*)

ABSOLUTE TRUTH

We openly and publicly acknowledge that God's Word is truth. (*John 17:17*)

WE SHOULD BE JESUS W/ SKIN

The great commission calls us to make disciples, but we don't believe this happens in isolation. We value relationships because we believe discipleship happens best in the context of a relationship. (*Matthew 28:19-20*) We are called to love God and love people, and because of this, we believe service to our community is essential. (*Matthew 22:38-39*)

FATHER, SON & HOLY SPIRIT

We believe God is the father, Jesus Christ is His son, and the Holy Spirit guides us. We recognize and acknowledge that we are gifted and empowered by the Holy Spirit and seek to follow the leading of God through the Spirit (*Romans 8:14*)

BROKEN & BEAUTIFUL

We understand that we are all broken as a result of sin and the pattern of this world. We know that we are only made whole through the grace of God. (*Luke 4:18-19*)

JESUS FOLLOWERS

We know we are all imperfect people, but we believe that being Jesus-Followers means a commitment to authenticity and attempting to follow the best we can each and every day.

We believe the church is not our physical building or inside those walls on Sunday mornings.

We believe we as Jesus followers WE are the church every day in all our daily lives.

be the church.
